
THE SCHOOL LIBRARY K-12 DATABASES GUIDE

SD STATE LIBRARY DATABASES AND DIGITAL RESOURCES

ALL [50+ databases and digital resources offered by the SD State Library](#) are FREE and accessible 24/7 to all South Dakotans.

Three Ways to Access

- Instant, click-and-go access through GeoIP if physically within the state's geographical borders. No login needed.
- Instant, click-and-go access through IP authentication if within the school. No login needed.
- Through your school's SDSL eCard. This barcode and password SHOULD NOT be posted anywhere online but can be given out to students and families. Great for traveling out of state.

Student Research Lists

Use our age-appropriate Student Research Lists when linking on your library or school websites, blogs, digital newsletters, etc. These lists are curated just for these age groups and they provide quicker and more customized access for students. You can also add the direct URL links for these 3 lists by copying and pasting them from below.
