# State and national E-government resources

Your hosts today:

*Brenda Hemmelman*

*Kathleen Slocum*

## Today's agenda:

- What is e-government?
- SD state government resources
- SDSL digital collections
- Some specific Federal Government resources

## **E-government:**

- Online sites that educate or share information about federal and state government programs, laws, rules, and regulations, our country's history, plus much more.
- Most federal sources, including websites, will tell you where they got their information. With this detail you have an authoritative source for the information

State of SD homepage <http://sd.gov>

The screenshot shows the homepage of the South Dakota State Government website. At the top, it says "Welcome To The Official South Dakota State Government Website". Below this is a navigation bar with links for "Government", "Business", "Employment", "Travel", and "Online Services". The main content area features a large background image of a river with autumn foliage. A search bar is prominently displayed, with the text "Search South Dakota State Agency Websites" and "Trending Topics: Pheasant Hunting, Driver Licensing, State Jobs". A small banner in the top right corner reads "Christmas at the Capitol 2012". At the bottom, there are four sections: "Open Government" with a building icon, "Latest" with a Wi-Fi icon and text "Headlines, Road Conditions, and more", "Social Media" with a globe icon and text "facebook, flickr, Twitter, YouTube and more", and "Governor Dennis Daugaard" with a photo of the governor and text "Click here to learn more about Gov. Daugaard and his team".

# SD State Library Digital Collections

## ContentDM Digital Collections <http://library.sd.gov/ACS/DIG/index.aspx#Archive>

The South Dakota State Library's Digital Collections reflect the history and culture of South Dakota. Our collections are primarily of interest to researchers, genealogists, and librarians. The South Dakota State Library provides leadership in innovation and excellence in libraries.

In 2009, **OCLC expanded the FirstSearch Base Package with CONTENTdm**

 . CONTENTdm "quick start" is available for digital collection building to Base Package subscribers at no additional charge. This entry-level, hosted version of CONTENTdm® will support efforts to increase access to the digital content that libraries provide.
