LIBRARY TRAINING INSTITUTE 2013

This year we will focus on youth services, SDSL online resources, book talks, maker spaces and much more!

Here is your USB Flash Drive with all your Institute 2013 files pre-installed. The files on the USB drive are all either MS Word Documents, MS Powerpoints, and Adobe Acrobat PDF files.

If you do not have Word or Powerpoint on your computer, all files have also been saved as PDF's -- which are universal, cross platform files that can be used with Adobe Reader, a free download available from <http://get.adobe.com/reader/>.

Don't forget to check into our 2013 "blog" page (<http://library.sd.gov/LIB/DEV/training/institute/2013/index.aspx>) and to join our Library Training Institute Facebook Group (<https://www.facebook.com/groups/187989994662639/>).
