Collect + Connect School Library Meet-Up

Calling all South Dakota school librarians! SDSL's School Library Collect + Connect Meet-Ups are BACK for the 2023-2024 school year! These online chats are held monthly and are an opportunity for school librarians across the state to gather, discuss, share, and learn. Some of the discussion topics planned for this year include passive programming, policies and procedures, collection maintenance, and more!

For a full list, visit the Collect + Connect page of the SDSL website. The School Library Collect + Connect Meet-Ups will be on the Canvas LMS platform. Librarians will register one time for the 2023-2024 school year and then access the "course" in Canvas each month to join the chat! Registration is open at sded.sd.gov.
