To get started, power on the iPad 2, then unlock the screen by swiping the arrow from the left to the right. If the screen goes to sleep, press the power button to wake it.

To check out an eBook or audiobook from your library...

1. Browse for a book.
  - a. Open OverDrive's mobile app.
  - b. Tap **Get Books +**.
  - c. Tap your library, and your library's OverDrive-powered website will open.
  - d. Tap **Browse** to browse through the available categories. Tap **Search** to find something specific.
  
2. Check out.
  - Once **you find** a title you're interested in, add the title to your cart. Then follow the prompts to complete check out.
  - You can also add a title to your wish list, which lets you easily find it when you want to. You'll find your Wish List items under the link for your account.
  - If there aren't any copies of a title available, you can join the waiting list. You'll get an email when the book is available.
  
3. Download.
  - a. With a book checked out, just tap **Download**.
    - If prompted to choose an app, select OverDrive Media Console.
    - OverDrive Media Console opens, and your book is downloaded.
    - Tap the title to enjoy your selection.
  
4. For help, contact your library, or [take a look at Apple's support page](#), where you can find contact information and detailed product guides.
