Dear Daria,

It is with much sadness that I formally submit my resignation from the South Dakota State Library. The last 12 years have been wonderful. I could not have asked for a better first professional position in libraries. As I start the next part of my journey in life in a new state, I will always cherish the memories of working with some of the best people in the library industry.

My last day at the South Dakota State Library will be Wednesday, August 23, 2017. I will continue to give my utmost to the libraries of South Dakota until that day.

I wish the library and all its employees much success in the coming years.

Sincerely,

Jasmine Rockwell

South Dakota State Library

Dear Steven:

I am writing to inform you that I will be resigning from my position of Library Associate in the Department of Education. I have notified Human Resources of my intent and have said that my last day will be June 26, 2017.

I will be moving to Clarksville, TN where my husband has accepted a high school math teacher position. We will be much closer to his home town and his mother whom is excited to have child moving close to home.

It has been a pleasure to work at the State Library for the last 11 years and it has been wonderful to work with individuals who are so inspirational, cooperative and understanding. I could not have gotten where I am today if not for the entire staff's support and insights given to me.

I am grateful to have been part of the digitization team and I intend to continue to be an advocate for the library.

Sincerely,

Karen M Rickert
Library Associate
