Subject: [EXT] SDSL Affiliation Approved

Hello Daria,

Thanks again for your application for affiliate membership with the South Dakota Space Grant Consortium. I'm happy to report that the South Dakota State Library's application was accepted by a unanimous vote of SDSGC's Management Team last week at our Sept. 7, 2018 meeting in Lead. **Welcome aboard!** We look forward to working with you to strengthen and expand NASA-related STEM education within the state, along the lines described in your attached application letter (e.g., STEM Early Literacy workshops, summer reading programs, collaborations with the South Dakota Discovery Center and other SDSGC affiliates, etc.)

I just added the SD State Library on our affiliate membership webpage <<http://sdspacegrant.sdsmt.edu/membership.html>> under the category of "State Government Affiliate". When referring to the SD State Library in our various reports to NASA and other Consortium documents, can I use the acronym "SDSL" or do you prefer the full spelling? Also, I need to list your organization on a secure online NASA reporting database called "Office of Education Performance Measurement" (OEPM) System. That includes an official contact person for the organization, which I assume should be you, unless you tell me otherwise. Does the following listing look accurate for the OEPM database?

Name of Organization: South Dakota State Library

Contact:

Name	Title	Contact Type	Primary Contact for this Affiliate Organization	Primary Address	Primary Phone	Primary Email
Darria Bossman	State Librarian	Affiliate Representative	Yes	South Dakota Department of Education, McKay Building, 800 Governors Drive, Pierre, SD 57501	605-773-3131	daria.bossman@state.sd.us

Thank you,
Tom Durkin
