As we focus our mission at BHS Library,
we want to share that mission with all
of you so that we are all on the same
page as we start the school year. Ask
not what you can do for your library
(though you can if you want)--ask what
the library can do for you.

TEACHER 1

I'd like my freshmen to find
challenging books that they will like.
Could you give them some ideas and show
them some titles if I bring them down
on Friday?

LIBRARIAN

YES WE CAN!!!

TEACHER 2

I could use an extra hand when I
introduce my research project. Could
you help me on the day I review
citations in the computer lab?

LIBRARIAN

YES WE CAN!!!

TEACHER 3

I'd just like to use the library tables
so my class can spread out for a
project. Can you schedule my classes in
the library for that?

LIBRARIAN

YES WE CAN!!!

TEACHER 4

I need some new ideas for websites for
our next unit. Could you make a list
for me?

LIBRARIAN

YES WE CAN!!!

TEACHER 5

I'm just getting started with new classes this year. I'm overwhelmed with all the resources out there. Could you give me some ideas for getting started?

LIBRARIAN

YES WE CAN!!!

TEACHER 6

We have a guest speaker coming to talk to our classes. Can we use the library for that?

LIBRARIAN

YES WE CAN!!!

TEACHER 7

I remember using a website during a summer class, but I don't remember the name of it. Students can 1) take practice tests, 2) organize their research, 3) find pro/con articles, etc.; Could you make me a "Pathfinder" handout to help students get to the right spot at the right website?

LIBRARIAN

YES WE CAN!!!

TEACHER 8

I've got a student who says he can never find anything good to read. Can you help him if I send him down?

LIBRARIAN

YES WE CAN!!!

TEACHER 9

I have a student who needs to take an AR/math/government test. Can you supervise her over lunch?

LIBRARIAN

YES WE CAN!!!

TEACHER 10

I have 5 students in my class with nothing to do. Could they come down with no planner passes and hang out with some seniors who also have nothing

to do?

LIBRARIAN

NO THEY CAN'T!!!

Some general requests from the library this year:

- Students will sign in and out of the library. It will help keep track of students and will help with library statistics this year.
- Please sign planners or give us a call when you send students to the library so that we know what they should be doing and what class they are from.
- Thank you, thank you for keeping the library a reading place during DEAR time. We really believe in it and want to model it; it is our daily treat (except Wed.) and we do get cranky (er) when that time is interrupted.
- Please keep us in mind as you work on curriculum and plan your lessons. Our mission is to do everything we can to support you and your students' learning and reading.

THE END
