

Book Drop Rock

Lyrics by Jeanette Nielson

This is the book drop in the library

Boring and gray and so ordinary.

How do we make it cool and inviting?

Why don't we paint it?

Make it exciting? (Yeah)

Chorus:

It's an extreme makeover, yes an extreme makeover;

You just watch and see, yah just watch and see

And you'll believe it, when you see it!

Vs. 2

It's quite a process: first there was sanding;

Sanding for hours was quite demanding.

Student aides helped us: Stephanie, Katie

They were devoted; it was their baby!

Vs. 3

What would it be--a dragon or bunny?

Would it be scary? Would it be funny?

It was transforming right before our eyes;

Mrs. Prostrullo made it come a-live!

Vs. 4

Painting with greens, some browns and some blues

Colors are mixing, blending their hues.

Finally it's finished, to the joy of all

The book drop is now a water-fall!

Chorus:

It's an extreme makeover, yes an extreme makeover

You just watch and see

And now believe it, 'cause you see it!
