READING BINGO BLACKOUT

What is Reading Bingo?

Reading Bingo is an optional reading incentive program to motivate and reward students for reading a variety of books. Students will not receive a grade for participating, and participation is not required.

How Does it Work?

Early in the school year, students will receive their first Reading Bingo card. Each time the student reads a book in one of the categories, write the title of the book and the name of the author in that space. When the entire card is filled out, have a parent, guardian, or teacher sign the bottom and return the card to the library. Each time a student completes a card, he/she will win a prize and advance to the next level. Completed cards will be kept in a binder.

Why are there specific reading categories on the card?

Listing reading categories serves two purposes: it encourages students to read books about a wide variety of topics.

Other Important Information

- You may read the books in any order on your card and choose any titles that fit the categories. The books may come from any source (RES library, public library, book fair, classroom, home, friends, etc.)
- The cards should be signed only when they are completely filled out (before they are turned in to the library). Please do not sign cards until all the spaces on the card are completely filled in.
- Each grade will have different book categories on their Bingo cards. There are five card levels (red, orange, yellow, green, blue, purple) for each grade. You may not skip levels.
- Any book read by or to the student between October 1, 2012 and April 13, 2013 may count.
- Books read in class, by teachers, by a librarian, for class assignments, or in a book club may also count.
- The program ends on April 13, 2013. No cards will be accepted after April 13, 2013.
- Your card must be completely filled out and contain a parent, guardian, or teacher signature before you can turn it in. Partially-completed or unsigned cards will not be accepted.
- **Each book counts only once.** You may not repeat the same book on two separate cards.
- Independent readers should be reading books on or above their reading level.

Prizes

Prizes will be awarded by the Bingo Representative monthly on designated days only. Students may turn in their Bingo cards to the librarian as soon as they are completed, but will receive their prizes only on the designated days. (Days to be determined)

Red level—key ring + one charm (charm goes on the key ring)

Green level—one charm

Orange level—one charm

Blue level—one charm

Yellow level—one charm

Purple level—one charm, certificate, and party (in May- date to be determined)
