SDSL Accessible Library Services

Descriptive Video Service

The South Dakota State Library Accessible Library Service is pleased to offer the DVD/Blu-ray collection to our patrons.

Borrow great blockbuster videos! These videos are especially for the enjoyment of people who are blind or visually impaired.

The videos carefully describe the visual elements of a movie—action, characters, locations, costumes, and sets—without interfering with the video dialogue or sound effects.

Borrowers must be registered and active patrons in good standing with SDSL Accessible Library Service. Patrons may borrow **two** descriptive video titles at a time. Patrons may not check out another descriptive video title until the currently checked out title is returned to the library.

The loan period is **two weeks**. There will be **no renewals**.

Videos may be requested in the same way you request books: in person, by telephone, by email, or by mail. There is no limit to the number of requests patrons may place on file for future loans. The first available descriptive video on a borrower's request list will be sent automatically each time a title is returned.

Descriptive video titles should be mailed back to the SDSL Accessible Library Service after viewing by turning over the mailing card so the library's address is facing up. Videos may be mailed free of charge. "Free Matter for the Blind" is printed on each container's mailing card.

Abuse of the video lending service, including but not limited to repeated overdues, lost materials, or damaged discs will result in suspension of video service to a borrower. There is a replacement fee of \$5.00 plus the cost of the video for any lost or damaged DVD or Blu-rays.
