

ALIENS ARE FRIENDS NOT ENEMIES!!

OH NO!!!! Aliens are being arrested by the guards! We cannot allow them to be taken from their homes! We need to save them, and we can only do that with the proof that they are our friends and not our enemies! Where is that picture of us and the aliens?? It must be in the locked box. Help us get it out. We have to solve the clues and get the locks off. We only have 45 minutes--hurry!!!
