Teen Services and Programming Winter Session

We will meet on Zoom for discussions on the lessons. Make sure you are ready for the 1st discussion in December. It is a mandatory part of the Public Library Institute program. We will be talking about this about this at Library Institute in Aberdeen 2022
_____

WebJunction courses and webinar archives are free for all library workers and volunteers. By creating an account, you agree to our terms.

Here are the steps to create a new account:

1. Click the **Create new account** button below.
2. Create a *username* using all lower case letters
3. Create a *password* with at least 8 characters, both upper and lower case and at least 1 digit.
4. Complete the rest of the form - all fields are required.
5. A confirmation email will be immediately sent to your email address.
6. Within 7 days, click on the web link in the email to confirm registration. If you do not do this within 7 days, your account will be deleted and you will need to start over at **Step 1** to re-register.
7. The link will confirm your account and automatically log you in the first time only.
8. Enjoy learning!

Create new account or Login to your current account with the User ID and Password you created in the past!
_____

Details

- Self-directed learning.
- Six modules which are a 1-hour archived recording with some telling you where to find additional resources
- I will be hosting **ten zoom meeting** from December to April. So, watch your emails for information. They will be at 10:30 AM CT or 4:30 PM CT on ZOOM. I will send you a link
- Be Ready to Discuss
- Once you login go to Course Categories then scroll down to Young Adults and Teens and the courses are within this section.
- When you are done make sure you check the box for the completion of the course and either print a certificate or save it to your computer.
- Remember you can use these courses for New or renewals to certification or a trustee can put them towards the renewal or earning of accreditation for the library
