June 8, 2023 Graduation Celebration & White Elephant gift Exchange

A WHITE ELEPHANT GIFT EXCHANGE...
...the perfect time to be over-the-top tacky

On Thursday evening we will have a pizza party and graduation celebration. Each student is asked to donate \$10.00 for this. This money goes for the food, drinks and goodies for the everyone in the group

- The Jr.s will take care of the graduation celebration
- **White Elephant** exchange is a tradition that has happened at the graduation party for 28 years. Bring something to swap and I promise you will laugh and even plot the gift you are giving next year. Clean out your closet at the library or at your house. If you don't have something that is gently used then don't spend more \$10. (The librarians will know).
