eResources Quick Guide

Access eResources at: [http://library.sd.gov](http://library.sd.gov) > click Online Resources > from drop-down menu > select A to Z Complete Listing OR By Category.

Direct access is available inside schools, public libraries, and academic buildings. Access at-home, off-campus, and other remote locations:
1) Click on the desired eresource
2) You will either access the eresource, OR
3) Be asked “Allow this application to use your location?” CHOOSE
4) “Deny” and you will be sent to the Share-it login screen OR CHOOSE
5) “Allow” and you will either have access, OR
6) Be sent to the Share-it login screen to enter your library, barcode and password (either SDSL-issued card or local library card, ask local librarian for details)

- If you log in through links on your library’s web page, follow the directions and use your barcode and password, if necessary.

Search Tips
- Select the blue cloud icon for more about the resource, including webinars & tutorials.
- Most eResources have “help” or “search tips” links near the top.
- Depending on need & skill level, students can select resources in various school categories.
- Articles and databases have a “cite” links leading to a variety of citation styles.
