The screenshot displays the EBSCOhost interface for a detailed record of an article. At the top, a blue navigation bar contains links for '< Result List', 'Refine Search', 'Download PDF', 'Sign In', 'Folder', and 'Help'. The article title 'Making Cars Safer.' is centered at the top of the main content area. A warning message states: 'This content may contain URLs/links that would redirect you to a non-EBSCO site. EBSCO does not endorse the accuracy or accessibility of these sites, nor of the content therein.' Below this, a browser-like interface shows 'ContentServer.asp' with page navigation '1 / 2', a zoom level of '100%', and icons for download, print, and share. The article content is split into two columns. The left column features the text 'From the President' followed by the title 'Making Cars Safer' in a large font. The right column displays the 'CR Consumer Reports' logo and a list of staff members including the President and CEO, Senior Vice President, and various editors and directors. On the left side of the interface, there is a sidebar with the EBSCOhost logo, a 'Detailed Record' icon, and a 'PDF Full Text' icon. Below these are the source 'Consumer Reports' and date 'April 1, 2022'. A section titled 'Inside this work' includes a 'Full Text Contents' dropdown menu with a list of page numbers: '1 - 5 | 6 - 10 | 11 - 15'. A table of contents lists 'Making Cars Safer.' (6), 'HOW WE TEST.' (7), and '10 TOP PICKS' (8).
