

SDTTG Purchasing Committee Meeting

March 9, 2022 2:00 pm

VIA Zoom

Present: Kim Bonen, Dana Schmidt, Hannah Lagerquist, LeAnn Kaufman, DeeDee Whitman, and Lori Williams

Minutes from the December 6, 2021 meeting were approved. First (Hannah); second (Dana).

Updates from Kate Connell from Overdrive via email:

“The major update from OverDrive is that the original OverDrive app has been removed from the Microsoft, Google Play, and Apple app stores as of 2/23. It is still available in the Amazon app store because Libby hasn’t been accepted into the Amazon app store yet. I’ve linked the FAQ [here](#). “

Only consortium members have the ability to unweed titles from the marketplace. Advantage libraries need to let a member know and those titles can be unweeded.

DeeDee suggested the consortium consider adding a streaming video service. A few companies were mentioned with Kim setting up a trial with Kanopy.

One new library joined the consortium. Welcome to the Dewey County Library!

Kim plans to develop libguides for Libby including the collection development policy. Kim suggested that the committee members for a panel for the SDLA conference to provide information to SD library staff.

The next meeting is scheduled for May (exact date to follow).

Meeting adjourned.
