South Dakota Libraries' Guide to...

L'Encyclopédie Découverte

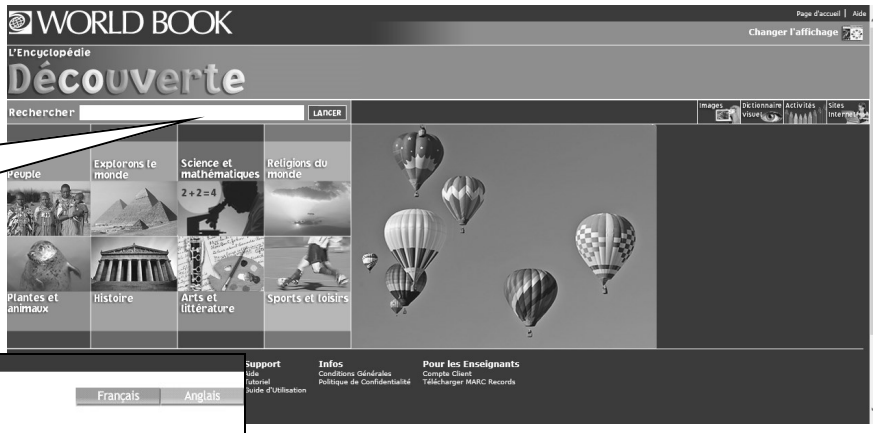
(French Language Encyclopedia)

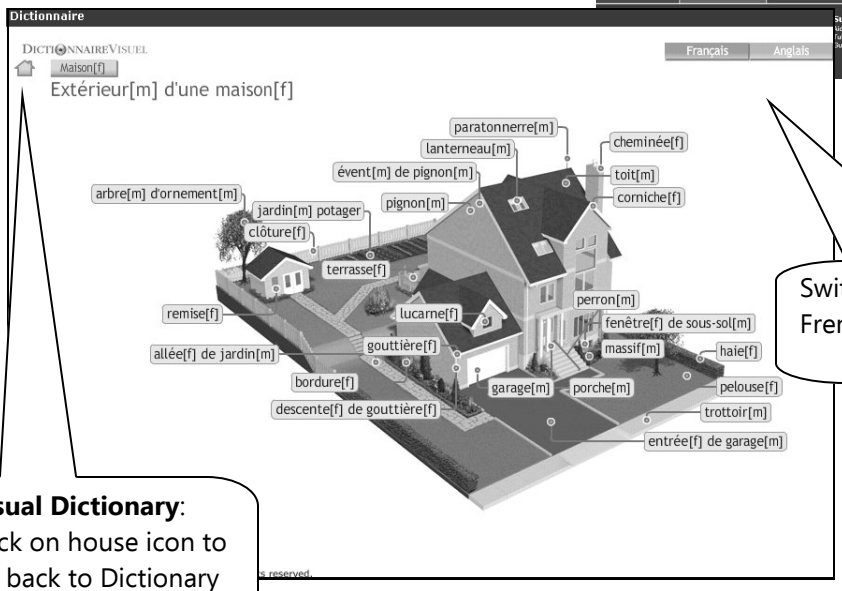
L'Encyclopédie Découverte (French Language Encyclopedia)

- English translation of articles available at bottom of article (goes to World Book Kids.)
- Citation information provided.
- Activities and teacher's guides.

L'Encyclopédie Découverte provides the French version of World Book Student Discovery Encyclopedia. The French Encyclopedia will support young native French speakers and older students and adults who are learning French. Content includes encyclopedia articles, illustrations, maps, activities, and selected websites. A visual dictionary is also included. Navigate by searching or browsing.

Search for encyclopedia articles by entering French word or browse topics by clicking on picture.





Switch between English and French.

Visual Dictionary: Click on house icon to go back to Dictionary main page.

If you have any questions about using this resource, contact a **South Dakota Librarian**.
