

South Dakota Libraries' Guide to...

World Book Student

World Book Student

- Basic search looks for different tenses and plurals of term. Spelling is autocorrected.
- Easily select what type of results to look at—sounds, articles, maps, etc.
- In article audio pronunciation for challenging words (such as dinosaur names)
- Back in Time articles—selected articles from World Book Yearbooks from 1922 to present.
- My Research**—use your e-mail address to allow forgotten password recovery. Uses the same login as My Research in World Book Advanced.

World Book Student (grades 5-9) contains the entire 22-volume print set, plus additional features such as a Biography Center, Research Tools, Timelines, editor-selected web sites, correlations to content standards, dictionary, atlas, multimedia, and more. World Book Student is tablet-optimized.
