

THE SCHOOL LIBRARY NEW LIBRARIAN GUIDE

Greetings, new librarian! For your convenience, you have access to an [SDSL School Library Services Folder](#) that is your complete guide to the school library services provided by the SD State Library. This guide is digital and dynamic, which means that it will be updated as necessary.

[This guide](#) has information about:

- The SD School Library Listserv
- SDSL's rich collection of FREE databases
- Who to contact at SDSL for all your library needs
- Links to school library resources provided by SDSL
- Professional development information
- Information about the SD School Library Standards
- Interlibrary Loan information
- And more!

Please bookmark the link and check back whenever you need easy access to information and services provided by the SD State Library's School Library department.

Another great starting point for school library information and resources is the [SDSL School Libraries page](#) on the SDSL website.

And finally, please complete this [short survey](#) to tell us a little more about yourself and your needs in your library.
