SDTTG eBook and Audio Checkout

This June the number of audiobook checkouts in South Dakota Titles To Go surpassed the number of eBook checkouts for the first time since the digital lending consortium launched back in 2011.

This past June, The South Dakota State Library made a \$76,000 contribution toward the South Dakota Titles To Go Digital (SDTTG) consortium content in using ARP funds.

Some examples of content added included:

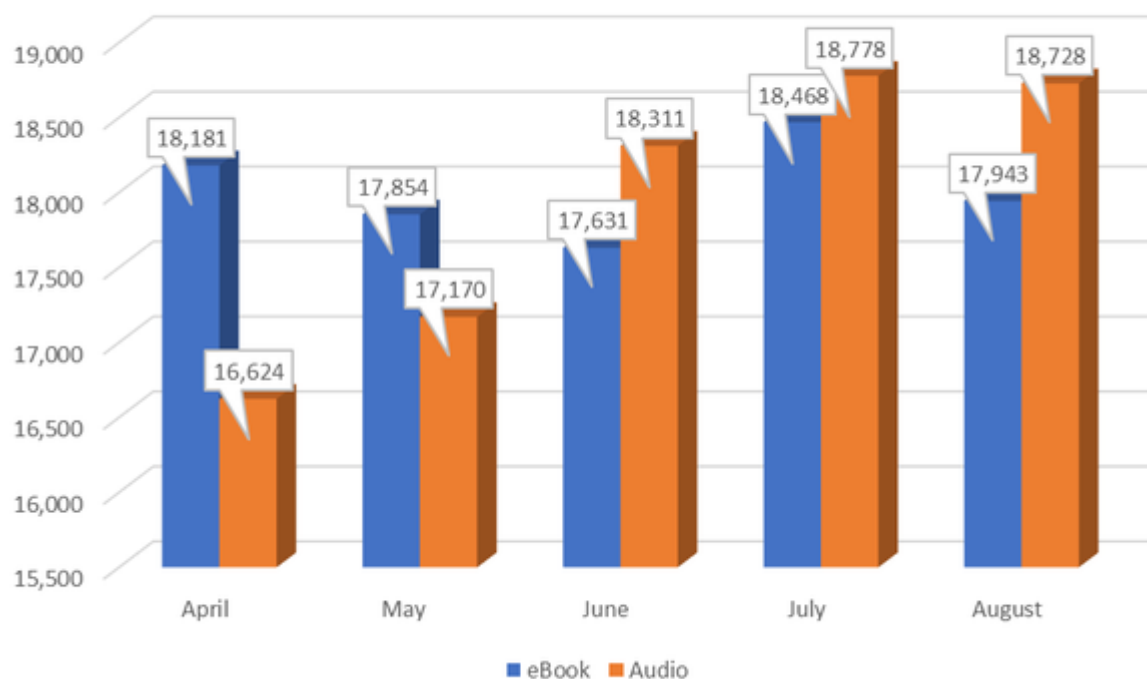

- Juvenile and Young Adult eBooks & audiobooks
- Youth SD Awards eBooks and audiobooks
- Classic Lit ELA eBook & Audiobooks
- Graphic Novels
- Popular & new release eBook & audiobooks

This new content became accessible on June 1, 2021 to patrons whose local libraries participate in the South Dakota Titles To Go consortium.
