Dear Executive Director Warner,

The South Dakota State Library Board will meet July 25, 2014 in Pierre, South Dakota. The agenda will include formal acceptance of Dr. Paul Turman, System Vice President for Academic Affairs, to serve as your designee on the State Library Board.

We look forward to working with Dr. Turman and benefitting from his expertise. He will enjoy the variety of perspectives that current State Library Board members bring to discussions and decisions.

Sincerely,

Lesta V. Turchen  
President  
South Dakota State Library Board
